

Features

- Includes multiple knockouts for conduit up to 2" diameter.
- Includes a knockout for a single gang J-Box power module (Part #: 80-0050).
- Mounting slots simplify adjustment for different depths of sheetrock.
- Integrated cable tie anchors to assist in clean cable management inside the enclosure.
- Surface or flush mountable.
- Hinge Door and Screw Cover are each designed to overlap the enclosure frame to hide uneven drywall edges.
- Cardboard insert included for prevention of drywall debris or paint over-spray.
- Standard 1" x 6" hole pattern accepts most brands of modules.
- 20-gauge steel construction.
- ETL Listed.
- Meets FCC Part 68.
- Complies with TIA-568-C and TIA-570-B requirements.
- Enclosure not intended to be mounted in firewall applications.
